The 35cc has been a great engine so far - even after my review is published! I am currently working on another engine review of their new 40cc twin, so the the 35 cc will be going in a new plane soon! Over the past several years, I have only had one engine with a problem, and RCGF was quick to replace that engine.

Vintage Small Engines; Other Projects; Resources; Small Engine Project Ideas. Sitting under my workbench is a Tecumseh 8-hp flathead from an old garden tiller. I bought it for no apparent reason, other than one day using it for a small engine project. I have a bunch of ideas, but have yet to decide on which one would be best for this motor.
