I originally purchased the Borderlands 2 Strategy Guide Limited Edition because it looked pretty, I loved the idea of having extra information about the game, and at under \$20 it was a steal. The guide has everything you might want from a guide, from information about every class, character, baddie and sidequest that is available.

Borderlands Wiki Guide - IGN

Borderlands does not handle challenge progression well by itself. Co-op greatly increases the difficulty, so you may want to level up solo at first until you and your character are ready for co-op. Weapon characteristics are quite complex, but learning what's behind some weapon titles (such as a "Matador" shotgun or a "Cobra" rifle) is worth it.
