### **The Coventry Grid Interview (CGI): exploring autism and ...**

The Coventry Grid discusses the similarities and differences between children on the autism spectrum and children with attachment problems and their response to interventions. The child's response to therapeutic interventions and strategies, can reveal whether or not the child's issues are ASD or attachment related, or both.

### **Muddling through Mayhem: Attachment Disorders vs Autism ...**

In effect, the Coventry Grid conflates different insecure attachment styles. Analysis of the Grid employing a more detailed and differentiated use of attachment theory demonstrates, therefore, that the overlap of symptoms is more pervasive than Moran suggests and that in some cases the two conditions are not distinguishable.
