Craft Lessons, Second Edition | Stenhouse Publishers

What writing as craft suggests to me is a lot more focus on discussing and then revising drafts than might be happening in classrooms focused on mini-lessons. There are countless ways to teach the craft of writing, but here are some that immediately come to mind. First, teachers who understand craft spend a lot of classroom time discussing their students' drafts with the whole class, using them as examples and getting students to discuss how to improve them.

Teaching the Craft of Writing - Education Northwest

The following mini-lessons were created by middle grades preservice teachers in RE 3150 (Language Arts in the Middle Grades). The mini-lessons on this particular page are craft mini-lessons. Craft mini-lessons are those that address techniques, styles, genres, authors, and works of literature (In the Middle, Atwell 1998)

Craft Mini-lessons - Appalachian State University

What to Expect: 2-3 years: Between their second and third birthdays, children begin to pay attention to print, such as the letters in their names. They also begin to distinguish between drawing and writing and start to scribble on paper, making some marks that are like letters. Two and three year olds require activities to help them develop hand coordination (for example, by holding crayons and ...
