Culture And Imperialism Edward W

Culture and Imperialism demonstrates that Western imperialism's most effective tools for dominating other cultures have been literary in nature as much as political and economic. He traces the themes of 19th- and 20th-century Western fiction and contemporary mass media as weapons of conquest and also brilliantly analyzes the rise of oppositional indigenous voices in the literatures of the "colonies."

Culture and Imperialism by Edward W. Said

"In Culture and Imperialism, Edward Said's immense erudition and interpretive audacity are brought to bear on a variety of literatures, reanimating the terms of his title and discovering, in the process, how some of the most revered cultural productions call upon the same energies that go into the building of empires. His book will likely become a classic of contemporary criticism."
