Dakota Digital offers the BIM-01-1 that will allow you to read the speed signal from an ECU if you are installing the system in a vehicle equipped with an OBDII diagnostic port or a drivetrain from a newer vehicle. Page 18 (Auto Cal continued) NOTES: You do not have to drive at a constant speed nor do you have to avoid stopping during Auto Cal. When completed, you do not need to stop, you may, but you can also just press and release SW1 as you pass the 1 mile mark.
