In her book, Dancing Skeletons: Life and Death in West Africa (1994), Katherine A. Dettwyler is faced with each of these health problems and more as she narrates her experiences in observing their cause and effect. Most of these experiences are from the perspective of an outside observer; some are of one who has an empathic interest in the people she considers friends; but at least one brings home a parent's worst fear: the fear of losing a child.
