Guide To Paper Ricoh

Fan the stack of paper before loading it in the paper tray. Hold the stack of paper in both hands, shuffle the sheets of paper. Otherwise, place the stack of paper on a flat surface, place one hand on the side of the paper and shuffle the other side with your other hand. CEL011 CEL012.

Guide to Paper - Ricoh

Paper can be loaded in paper trays regardless of grain direction. If the paper curls or changes shape, or a paper jam occurs, change the direction of grain in relation to the paper feed direction by reloading the paper. This should help resolve the problem. Tear a sheet of paper to check the direction of the grain.
