Harley 120r Engine Review

First Thoughts: 120R HD Crate Motor Taking the bike on the road after this install is like the first cycle of andro...not that I'd know! Inside you're amazed and maybe a bit shocked, but to the outside world you're confident as hell, so much so that it wouldn't be weird at all to have steam firing out your nose.

First Thoughts: 120R HD Crate Motor | Beantown Baggers

When considering the Pros and Cons of Harley Davidson 120R Engine one big pro is that this engine seems to be one of the foremost where the factory has given a fully assembled one thus giving higher performance. Another pro which adds to the Pros and Cons of Harley Davidson 120R Engine list is the factor of the motorcycle being race ready.

5 Pros And Cons Of The Harley Davidson 120R Engine ...

While this is strictly a race-only engine, I asked our H-D contacts about the possibility of the SE 120R eventually being a street-legal option. Harley is very tight-lipped about any future products and wouldn't provide any comments either way on the matter.

Monster Motor | A Look Inside Harley's 120R Engine | Hot Bike

So, last year I got the 120r engine for my Wide glide. I'm not going to sugar coat it, the thing is a fucking beast, and a blast to ride.

Questions about the 120r engine : Harley

Leave other riders in the dust with the biggest, most powerful street-compliant crate performance engine Harley-Davidson ® has ever created. Milwaukee monster Built from the bottom up in Milwaukee, this street-tuned 131-cubic-inch Screamin' Eagle ® Crate Engine is designed to run with a wide open throttle at high engine speeds and provide ...
