Table of Contents - Sigmund Freud

Jokes and Their Relation to the Unconscious is one of Sigmund Freud's less technical work. It is quite easy to understand for the common reader and does not delve too deeply into treating mental illness. This book is a bit different from his other works. This is because its focus is primarily on how societies work and the role jokes play.

In Jokes and their Relation to the Unconscious (1905) Freud begins by amassing the broadest collection of jokes that he can, in order to determine how many different types of joke there are, their characteristics, and what exactly it is that makes them pleasurable. He discovers various verbal and conceptual techniques. He then distinguishes and investigates jokes with purpose in hostility or ...

Jokes and Their Relation to the Unconscious - Brief ...

Finally joke-works receive their most powerful stimulus when strong purposes reaching into the unconscious are present - hence the frequent fulfilment of the determinants of jokes in neurotic people. So, in summary, the relation of the joke-work and its determinants with the unconscious can be seen to differ slightly from that of the dream-work and the unconscious.
