Monthly "all you can eat" subscription services are now mainstream for music, movies, and TV. Will they be as popular for e-books as well?

Joomla Guide Explained Step By

This book is a very good step-by-step guide which you follow in creating a site for a fictitious town, Joomlaville. It gets you into the simple 3-step process of adding content to the site, and follows this through to the end, so if you complete the example website you should be very familiar with this process and hopefully continue to use for future sites you develop.
