4eBooks has a huge collection of computer programming ebooks. Each downloadable ebook has a short review with a description. You can find over thousand of free ebooks in every computer programming field like .Net, Actionscript, Ajax, Apache and etc.

Kabe Vortaro De Esperanto

Esperanto (/ , ε s p ə ' r α : n t oʊ / or / , ε s p ə ' r æ n t oʊ /) is the world's most widely spoken constructed international auxiliary language. It is the only such language with a population of native speakers, of which there are perhaps several thousand. Usage estimates are difficult, but two recent estimates put the number of active speakers at around 100,000.
