## **How to Lead Your Employees by Coaching - Forbes**

As coaches, it is hard to always know which direction to lead athletes and programs. However, as the leader of the team you must decide the direction to lead your team via your coaching vision. The first step in understanding your vision as a coach is to develop what Blanchard calls your Leadership Point of View (LPOV). This LPOV is similar to a coaching philosophy and allows you to explore how you began coaching, your overall purpose in coaching, and how you illustrate that purpose in the ...

## **Leading with vision: developing your coaching point of ...**

Coaching can be defined as “a development process whereby an individual meets on a regular basis to clarify goals, deal with potential stumbling blocks, and improve their performance.” In other words, you can help people become better versions of themselves by holding space for them to solve problems and
