Nevertheless, the tenor of the National Audit Office's criticism that "Of the 1,664 contracts awarded across government up to the end of July 2020 with a contract value above £25,000, 55% had not had their details published by 10 November" is one which Good Law Project endorses. As the NAO states:

The National Audit Office report: The Good, the Bad and

...

The Office of General Counsel (OGC) is the chief legal advisor and counselor to EPA, the federal agency with primary responsibility for implementing the nation's environmental laws. OGC employees provide legal and other counsel to EPA policy-makers, thus providing critical input to rules, regulations, and guidance documents that are promulgated and issued to implement the Agency's ...

Due to the excessive exploitation of finite resources such as coal and oil, alternative sources of renewable energy are required to satisfy the high demand for energy. However, the creation and use of alternative sources of renewable energy require significant investment, which has become a major obstacle. Against this background, crowdfunding platforms have become an excellent financing ...

Crowdfunding as an investment and alternative financing ...

Project tracker. A manager can use this accessible template to track projects by category and the employee assigned to them. Flagging over/under is easy with a built in calculator based on conditional formatting and user input.
