You are responsible for the replacement of the text if it is considered damaged at the end of the year. Please put a cover on your textbook as soon as possible.

### Course Expectations - Science with Mrs. Fried

T.F. Greene's "Marine Science" is far and away the best introductory text on the subject I have encountered. It is well written and follows a logical, well written progression through a large body of information. The Units and Chapters are well thought out and each has effective review material.
