Solutions to reducing national debt 1. Avoid war/reduce military spending. The striking feature of UK national debt history is the impact of war on causing an explosion in debt. The main wars were Napoleonic Wars in the early Nineteenth Century, First World War (1914-18) and Second World War (1939-45). Periods of relative peace have enabled the national debt to decline. The recent rise in debt 2008-2017, is unusual in being caused by primarily non-military factors. US national debt
