New Holland 316 square baler - posted in Machinery: I used a NH 316 the other day and it ran great except like every 15-20 bales I would get an untwined one come out the chute. I don't why or how, all I'm doing is let the pto run in 540 range and steer with the windrow. I stayed in low 2 gear. Thanks

New Holland 316 Square Hay Baler Manual

New holland 316 hay baler with Kicker. Condition is Used. I have 2 balers and this one has been stored in the barn ever since I got it 8 years ago, just pulled it out and the tires were junk so I put two new tires on it. The only thing I see wrong is the kicker belt on the bottom needs replacement, but will still bale regardless.
