operation here relates to the process that combines and transforms various resources used in a production into standard valuable outputs to the end user.

Essay on Operation Management for Competitive Advantage ...

There are three ways that firms strategize to meet mission:

Read Online Operations Management For Competitive Advantage 11e

differentiation, cost leadership, and response. Operations managers turn these into tasks to be completed in order to deliver goods and services cheaper, better, or more responsively. A key factor in any of those strategies and tasks is to establish competitive advantage.
