Power: Why Some People Have It and Others Don't - SILO.PUB

Power, he argues, is a force that can be used and harnessed not only for individual gain but also for the benefit of organizations and society. Power, however, is not something that can be learned from those in charge their advice often puts a rosy spin on their ascent and focuses on what should have worked, rather than what actually did.

Power : Why Some People Have It-And Others Don't by ...

In the Introduction, for example, he suggests that having power is related to living a longer and healthier life, that power and the visibility and stature that accompany can produce wealth, and that power is part of leadership and necessary to get things done, whatever the nature and extent of the given objectives may be.
