The PPE is a three-hour, closed-book exam on ethics, professional practice, engineering law and professional liability. It's not exactly closed-book, but we'll get to that later. Also, the PPE is really 2 tests bundled into one. Part A covers ethics and professional practice, while Part B focuses on engineering law and professional liability.

This document suggests a 10 hour study plan for the Professional Practice Exam. Each module gives topic and timeline suggestions for the texts. To save on time, I suggest that you refer to Susan McCahan's notes as you read and add to them what you feel you need. Remember, however, that you will retain more by writing notes in your own words.
