various methods used by small states to overcome their vulnerabilities in the international arena. With its balanced approach and variety of contributions, this book is of interest to researchers and academics who focus on the developing world or multilateral diplomacy.

The Diplomacies of Small States: Between Vulnerability and ...

Diplomacy of small states The diplomacy of small states, a subset of diplomacy, warrants its own examination. Small states - in the wider Caribbean, Pacific, Indian Ocean, Asia, Africa, and Europe - form an integral part of the international order operating in the same broad political and economic environment as all other states.

A/513269 The Diplomacies of Small States - GBV

Small states cannot work miracles in the globalized world still dominated by great powers, but they can study what has worked in the current world order for fellow Lilliputians. Major successes for small states in the face of globalization as yet are relatively few. What has given small states their occasional successes against the agendas of ...
