THE TEA PLANTER'S WIFE by Dinah Jefferies | Kirkus Reviews

The Tea Planter's Wife echoes some of elements of the classic novel, Rebecca, but with a more fragile character in Gwen and with a wider focus. This is more than a novel of the deadly resentment of a servant because a new wife is taking the place of her former mistress. Dinah Jefferies uses the secrets held by a husband and wife to expose the prejudice and unfairness of the British colonial era.

In other words, The Tea Planter's Wife is so much more than a conventional love story, with all its twists and turns and guilt and betrayal. It is a recognition that girls like Gwen had guts, and commitment, and a willingness to take risks. They were deeply impressive. "A gripping, intelligent, and tropically infused read."

The writing in The Tea Planter's Wife is simply beautiful. Jefferies' descriptions of Ceylon, down to its sticky hot climate and the fauna that surrounds the Hooper plantation, is transporting. The reader really feels like they're in the hilly forest setting, exploring with Gwendolyn and experiencing monsoons for the first time as she does.
