### **Tracing a Breakfast Lineage Through Time and Across Continents**

Teas and herbal infusions have been consumed through the ages and across the continents to soothe, heal, sustain and bring people together. Across the world, tea has been prepared since time immemorial and it is reasonable conjecture that the drinking of teas and herbal infusions across the world is near to as old as mankind's harnessing of fire and water.

### **Tea Through Time and Across Oceans - Tea Perspective**

For about two and a half billion years the Earth's surface temperatures have been near the transition between water in its three phases: ice, liquid, and vapor. During this long span of time, ice has accumulated to form huge glaciers on the continents from time to time, separated by intervals when ...
