Unbroken Brain A Revolutionary New

Challenging both the idea of the addict's "broken brain" and the notion of a simple "addictive personality", Unbroken Brain offers a radical and groundbreaking new perspective, arguing that addiction is a learning disorder, and shows how seeing the condition this way can untangle our current debates over treatment, prevention, and policy. Like autistic traits, addictive behaviors fall on a spectrum - and they can be a normal response to an extreme situation.

Unbroken Brain: Maia Szalavitz, Marisa Vitali ...

And I can honestly say that Maia Szalavitz's Unbroken Brain: A Revolutionary New Way of Understanding Addiction is one of the best books I've ever read on the subject. Maia Szalavitz is a fabulous writer who has penned a wonderful, very forward-thinking book about addiction.
