### Complete Catalogue of the Painting of Johannes Vermeer

The following is a list of paintings by the Dutch Golden Age painter Johannes Vermeer. After two or three early history paintings, he concentrated almost entirely on genre works, typically interiors with one or two figures. His popularity is due less to his subject matter than to the poetic manner in which he portrays his subjects. Vermeer's paintings of the 1660s are generally more popular than his work from the 1670s: in the eyes of some, his later work is colder. Today, 34 paintings are firm!

### Vermeer. the Complete Works by Karl Schütz

Edited by Renzo Villa. This volume--the new standard Vermeer monograph, now in paperback--reproduces in color all 34 of Vermeer's extant paintings, augmenting each with close-ups that lay bare the loving care that the artist lavished upon each painstaking work. Considered purely in terms of his subject matter--women reading letters, artist's studios, servants at work--Vermeer conformed entirely to the Renaissance genre repertoire of Dutch Golden Age painting.
